

Self-Raising Content Notes

This show contains potentially distressing themes, including a reference to abuse, strong language and audience interaction. A more detailed list is below:

Audism
Being deaf in a hearing family
Abuse
Trying to cure deafness
Adoption
Secrets in the family
Death and bereavement

If you would like to discuss the content information before the show, there will be a member of Graeae staff available front of house at the Access Table.

You can also find more information on the themes in the show by visiting:
